Summary

Our charming updated duplex is a short walk from 8 miles of sand beaches on the Gulf of Mexico. Invite friends and family to join and rent both units!

Description

Palm Oasis Villa West is a 2 bedroom, 1 bath half-duplex ground level condo that is walking distance to pristine Gulf beaches.

This duplex villa has lush tropical landscaping and the heated shared pool is surrounded by a privacy fence. It is located in a quiet and desirable part of the island. Relax in the chaise loungers before you fire up the BBQ grill for your favorite grill specials. Spend the morning at the beach, then come home to make lunch and enjoy the pool, all before heading out for a night on the town.

Up front is your heated pool with chaise lounge chairs, picnic tables and lush managed landscape features. Out back the oasis continues with your own private hardscape patio, outdoor dining table, gas grill and more relaxing landscaping including palm, flower and citrus trees - there is plenty of private space to soak up the Florida sunshine!

Automated landscape lighting both front and back highlight your oasis and a lighted pool helps you enjoy quiet nights outside.

The master bedroom has a king-sized bed and the second bedroom has twin beds.

Amenities include free high-speed Wi-Fi, 100+ channels of Cable TV with DVR recorder, private master bedroom flat-screen TV and comfortable furniture. Our guests love our fully-stocked kitchen, capable of preparing quick meals or an entire holiday feast. We have a large no-cost washer and dryer on-site.

We provide beach chairs, beach toys and even a beach-ready cart capable of holding everything you need for a family of four to make the best of the sand.

Our home is centrally located on Anna Maria Island. Shopping, restaurants, and nightlife are easily reached on foot,
or by the free island trolley service that takes you from the end of our street to the ends of the island (the trolley stops are at the end of our quiet street). Check out Bridge Street or the running and hiking trails of Bradenton Beach, or head north to the Anna Maria Village shopping area to check out some favorite small-dining venues. The trolley will also take you to a fully-stocked Publix grocery store, near pharmacy and even more shopping. We have private off-street parking for your vehicles, if you should happen to have your own transportation.

Palm Oasis is the perfect "home away from home" vacation spot for you and your family.

On-call maintenance and management is provided.

### Policies

**Check in:** 16:00, **Check out:** 10:00

Our first policy is that you relax and enjoy our island home. Otherwise, due to owner allergies and asthma, we are unable to accommodate pets or those who smoke or use tobacco products anywhere on the property - including the pool and oasis/outdoor areas. We are a 100% tobacco-free property.

We prefer Saturday-Saturday bookings simply because that is the island standard; if you reserve from Wednesday to Wednesday that essentially locks out two weeks of availability. We might be able to adjust days based on availability - for instance if you book last-minute and we have a vacancy the following week, or if you arrive early and want to check-in. Likewise those who book for longer periods - three weeks or more. Feel free to contact us - it never hurts to ask. If we can help, we will!

**Additional Info**

We can arrange for a full or partial pantry stocking when you arrive via a local shopping service. We do not profit from the referral, we just know what it feels like to get off a plane with two hungry kids and an empty refrigerator.

Let us know what you want for your vacation. We can generally point you to good providers of everything from rental bicycles to power boats, kayaks, paddle-boards and deep-sea fishing charters. We know where to get good sushi and can help you find the best local food without enduring touristy-"beach food" from those who don't even try.
